

Covid Youth Ministry

This year is a strange year and we are trying to create the safest, most fun and respectful environment possible for students. We have implemented rules out of respect for the safety of our students and their families. Please be aware that students who are unable to follow the rules will be required to leave the event.

1. Students, with parent supervision if necessary, will screen themselves before coming to youth group. If students or direct family members are showing any symptoms of COVID (Fever, Cough, etc.) students will not attend the youth event.
2. Unless seated (seating will be provided at a six-foot distance) all present will be masked.
3. ALL EVENTS will be held outside, dress appropriately. We have structures to use to keep students dry. When winter comes, we will reassess, but we plan to meet outside. So, this year is a good year to get a nice winter coat, a hydro flask and some good boots =)
4. Events will be held to an hour.
5. Come to the meeting having already used the bathroom. We will plan to not be let into the building. Students will be allowed to use the bathrooms if necessary, but we would prefer students to stay outside for the duration of the event.

To try and keep students as safe as possible, we are offering many different events each week. Students are of course welcome to participate in as many events as they like. If students are only interested in a one event that is fine, and they are welcome to participate in just that event.
