

Youth Ministry Opportunities:

All ministry opportunities will happen outside.

This year, out of respect for COVID, we are offering many different opportunities to try and dilute group size. Students are welcome to any and all events they want to participate in, but this seems like a safer schedule than congregating all 6-12th graders in the basement of the church every other week. We are pumped to be able to meet in person, outside!

Sunday Evening Big Games: Every other Sunday night we will host a large game for all students 6th-12th grade at Sherman Street in the Parking Lot. Games will be oriented towards having fun, getting to know each other, and building community through play.

Monday Evening Switch it Up: Every Monday night we will play Nintendo Switch party games together. This event will exist for both high school and middle school students separately at different times. This will happen behind the building in the Sherman Street parking lot.

Tuesday Senior Transition Supper: This is a Seniors only group that meets on the first Tuesday of the month to eat supper together. Supper will provide a space for seniors to talk about their final year in a high school. This group will meet at a leader's house and dinner will be provided.

Wednesday Bible Study: Every Wednesday night we will study scripture together. This event will exist for both high school and middle school students separately at different times. We will spend the year traveling through the Lectionary Gospel readings for the previous Sunday. This event will happen behind the building in the Sherman Street parking lot.
